

*different covers for the brochures? → Would I have picked up a book that has the words abuse on?
 → Shame and fear cause this?

Blank cover?

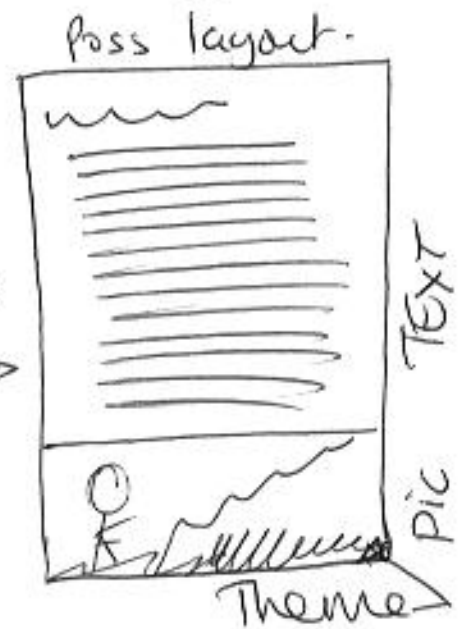

*THIS HAS GOT TO CAPTURE IMAGINATION!

Basic pattern to guide 'Stories' > means more to some people than 'medical' type.
 'Voices'

Can't all agree so compromise.
 *Any pieces that don't fit in guide can go on survivors M/cr web.
 → unedited pieces on web!
 → links to further info on web.

*Real words!
GIVE US A VOICE!

Boiled down version of can go

Community care vs Self care

*is discovery detrimental

'Official vs unofficial stories'

How do we get these out to people and what to say

*Distribution of guide! Team to do.

Probs of distribution = find solutions

Who is the audience? - language used?

→ not all things "irrational" are really irrational in survivors view!

Web gives us opportunity to sound so maybe reading guide and record for people who have difficulty reading text!
